

Put your passion for compassion to work at LifeSpring Health Systems! We're the community mental health center serving eleven counties in Southern Indiana for more than 50 years. You will work directly with individuals who are overcoming mental illness, teaching them the skills they need to navigate life successfully. We treat the whole person with an integrated approach, and now offer basic medical care through our Federally Qualified Health Center. Our team atmosphere affords you the opportunity to collaborate with experienced licensed therapists and specialists and to provide the highest quality of care for clients. We offer competitive salaries, flexible schedule options, a chance to move up in the organization, and a full benefits package including generous paid time off.

In school? Earn while you learn through tuition assistance! Getting back on your feet? We're a caring group of people and welcome you! Changing careers? Let us show you how rewarding our work is and how much good you can do. Non-traditional? We are a progressive organization, dedicated to helping people - including our staff - be successful!

LifeSpring Health Systems seeks a grant manager to manage a portfolio of primarily federal projects including community health center and community mental health center grants. The job requirements for this position will include researching, monitoring, and administering grants, with grant writing required. Experience with federal grant platforms such as eRA Commons or EHB preferred. This position will work primarily at home. The successful candidate will have a Bachelor's degree in Business, or a related field, and experience writing and managing grant funded programs.

Benefits include:

- Kentucky residents using tolled bridges in commute receive a stipend to defray this cost
- Health insurance
- Dental insurance
- Vision insurance
- Flexible Spending accounts
- Life and Long Term Disability insurance
- Short Term Disability insurance
- 401K Retirement Plan + Pension Plan
- Tuition Assistance
- And more!

Join the team that makes a difference in people's lives!
